BIG IN JAPAN

Ami **F** **G** **E**
Winter's cityside, crystal bits of snowflakes all around my head and in the wind
Ami **F** **G** **E**
I had no illusions, that I'd ever find a glimpse of summer's heatwaves in your eyes

Ami **F** **G** **E** **F** **Dmi** **E**
®: You did what you did to me, now it's history I see, here's my comeback on the road again
Ami **F** **G** **E** **F**
Things will happen while they can, I will wait here for my man tonight,
Dmi **E**
it's easy when you're big in Japan

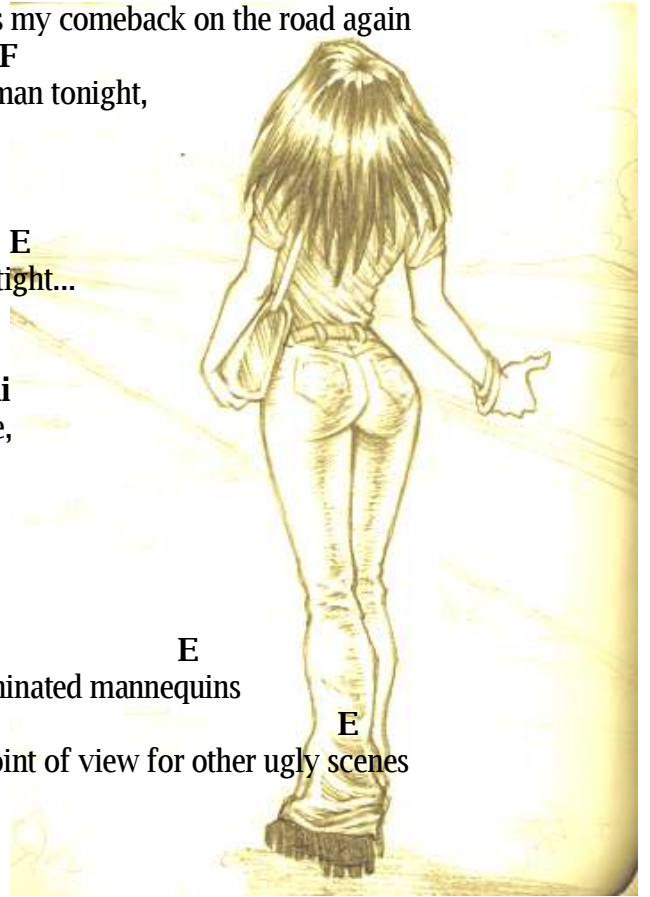

Ami **F** **G** **E**
Aah when you're big in Japan — tonight... Big in Japan-be tight...
F **Dmi** **E**
Big in Japan... ooh the eastern sea's so blue
Ami **F** **G** **Emi**
Big in Japan — al right, Pay! — Then I'll sleep by your side,
F **Dmi** **E**
things are easy when you're big in Japan
Ami **F, G, Es, F, Dmi, Es**
Oh when you're big in Japan

Ami **F** **G** **E**
Neon on my naked skin, passing silhouettes of strange illuminated mannequins
Ami **F** **G** **E**
Shall I stay here at the zoo or should I go and change my point of view for other ugly scenes

FOR A MILLION

Am Dm Oh, I love to dance	Dm B How far we'll be
Am Dm Under an alien sun	F#m Am Dm ... Remember me
Am Dm Am G Along the dunes with you, I kiss you in the sand	Won't stop loving you, although it seems to be
D Gm We give so that we live	Our time is running out, I'm leaving you behind
C A Beside the sleepy snakes	No matter what they say, we'd never meet again
F Dm B F#m They dream of you and me when will they ever end	Our love is bigger than our lives
Am Dm Am Dm For a million years they dream	And we know that yesterday
Am Dm Am For a million years they dream	The moon was brown
G D Gm And the fog conceals and hides and eats our souls	And that today it is black
C Am Fm Before they open up their eyes again	And that tomorrow it is red
	And we know that when we go to the sun
	The moon comes along
	(hello there!)
	And the cows in the pasture graze
	And we know that we know what we know
	Is it truth?

I stand in the rain, i walk up that lane

Which leads to the sunshine

She stands in the sunshine

She's closing her eyes

Then she takes me away and she's pulling the strings

When she's playing with love

She's playing with love

SOULFUL LIKE A MELODY

Intro: G, Dm, Am, Em, G, Dm, Am, Em, G

G **Dm** **Ami**
It's a trick of my mind, two faces bathing in the screenlight

Emi **G**
She'sso soft and warm in my arms

Dmi **Ami**
I tune it into the scene, my hands are resting on her shoulders

Emi **G**
When we're dancing away for a while

Dmi **Ami**
Oh we're moving, we're falling, we step into the fire,

Emi **G**
by the hour of the wolf in my dreams

Dmi
There's no reason to hurry

Ami **Emi**
Just start that brand new story and set it alight
G

We're head over heels in love - Head over heels...

®

Dmi **Ami**
The ringing of your loughter it sounds like a melody
Emi **G**

To once forbidden places we'll go for a while

Dmi **Ami**
The ringing of your loughter it sounds like a melody

Emi **G**
To once forbidden places we'll go for a while

Dmi **Ami**
It's the definite show, our shadows resting in the moonlight

Emi **G**
It's so clear and bright in your eyes

Dmi **Ami**
It's the touch of your sighs, my lips are resting on your shoulders

Emi **G**
When we're moving so soft and slow

Dmi **Ami**
We need the extasy, the jealousy, the comedy of love

Emi **G**
like Carry Grants and Kellys once before

Dmi **Ami**
Gimme more tragedy, more harmony and fantasy my dear

Emi **G**
And set it a-light, just starting that satellite

®

JET SET

If she's a lady, I'm her man, if she's a man, I'll do what I can

DANCE WITH ME

Am **C**
 When the heat of light melts into the speeding time **C** **Am**

G **D** Through one of those lonely nights
 When the king returns from the ivory city side. **F**

Am It's more than a dream, maybe

Let the magnet-images wave the signals **C** **Am**

To gave you a kiss

In the middle of the crossroads

The exhaust from the cars

You touch a sweaty body!

Summer in Berlin, it's alright
The heat of the sun

Which is stored in the pavement
Feels so fine

Here stands the innocent
and there it comes oh so wild

That's when you're longing
For a summer by the wall

Summer in Berlin, it's alright
Summer in Berlin, it's ok

The Spice must flow.
